APPLICATI ONS
For use in branch circuit wiring in wet, damp, or dry locations. May be used as a weatherproof junction box, or as a housing for receptacles, switches, and GFCI’s.

PRODUCT FEATURES
- Reinforced connector outlets
- State-of-the-art powder coat finish
- Eight box mounting options with detachable lugs provided
- Two closure plugs included
- Ground screw installed
- Multi-lingual instructions in each package
- Internal threads on hubs comply with NEMA requirements. Hubs accept all threaded fittings and threaded conduit
- Die cast aluminum construction

COMPLIANCES
- U – Standard 514A
- C22.2 No. 18
- NEMA 3R Rated

SINGLE-GANG EXTENSIONS
AND ADAPTERS

APPLICATIONS
Used to provide additional capacity needed for NEC box fill requirements.
Adapters allow installer to add "take-offs" to new boxes/devices.

PRODUCT FEATURES
- Installation hardware, gasket, and ground screw provided
- Closure plugs provided for two and six outlet styles
- Internal threads and hubs comply with NEMA requirements. Hubs accept all threaded fittings and threaded conduit
- die cast aluminum construction

COMPLIANCES
- Standard 514A
- C22.2 No. 18
- NEMA 3R Rated

### Applications
Used to provide additional capacity needed for NEC box fill requirements. Allows installer to add “take-offs” to new boxes/devices.

### Product Features
- Unique swing-arm design speeds installation by allowing the installer better visibility when lining up and threading fasteners
- Rugged die cast construction
- Reinforced connector outlets
- State-of-the-art powder coat finish
- Installation hardware, ground screw and gasket provided
- Multi-lingual instructions in each package
- Internal threads and hubs comply with NEMA requirements. Hubs accept all threaded fittings and threaded conduit
- Die cast aluminum construction

### Compliances

WEATHERPROOF BOXES, COVERS & LIGHTING

4" ROUND SPLICE BOXES
APPLICATIONS
For use in branch circuit wiring in wet, damp, or dry locations.
Designed for use as a weatherproof junction box, and may be used with Bell® round cluster covers and round lampholder combinations.

4" ROUND SPLICE BOXES
PRODUCT FEATURES
- Rugged die cast construction
- Reinforced connector outlets
- State-of-the-art powder coat finish
- Cast-in mounting lugs provide fast, secure installation
- Includes four closure plugs, installed ground screw, and multi-lingual instructions

4" ROUND SPLICE BOXES
COMPLIANCES
- UL - Standard 514A
- C22.2 No. 18
- NEMA 3R Rated

4" ROUND EXTENSION ADAPTERS
APPLICATIONS
For use with 4" round splice boxes.
Extension adapters are used to increase box capacity and allow the installer to add “take-offs” to new boxes/devices.

4" ROUND EXTENSION ADAPTERS
PRODUCT FEATURES
- Rugged die cast construction
- Reinforced connector outlets
- State-of-the-art powder coat finish
